

Important Public Notice

Temporary Level Crossing Closures

- **Corcellis Street, Wivenhoe**

With funding support from the Australian and Tasmanian Governments, TasRail is working to improve the safety and reliability of the Tasmanian Railway Network.

TasRail's contractors (Gradco) are undertaking essential infrastructure works. The works include the upgrade to the following road/rail crossings:

- **Corcellis Street, Wivenhoe** – on Saturday 16th February 2019 to Sunday 17th February 2019

During this time, **detours and delays should be** expected. Access for pedestrians will be provided and vehicle access for road users will be managed according to an approved traffic management plan.

Safety Warning

TasRail is committed to protecting the safety of their employees, contractors and the public. Residents are asked to be particularly vigilant for vehicle and equipment movements in the area and asked to always obey traffic management signage and directions given by TasRail and Gradco staff.

Need More Information?

A telephone hotline has been established for community questions or enquiries by telephoning mobile **0409 216 707**. Please note charges apply and calls to this hotline outside of business hours will be recorded and attended to the next working day.

Thank you for your understanding and patience in this matter.
