

BLACK RIVER VEGETATION CLEARANCE WORKS

Where: Medwins Road, Black River

What: Vegetation Control of Declared Weeds

When: 19 November to 7 December, 2018

TasRail wishes to advise that vegetation clearance works over a six hectare site will be commencing in the area between 19 and 23 November.

Please be aware of increased vehicle activity in the area.

Spraying to eradicate obnoxious weeds including Gorse, Spanish Heath and English Broome will commence from 2 December (weather permitting). The application of residual herbicides will be used in conjunction with mulching and a cut'n paint technique.
